Accountant & Management Services has provided bookkeeping, tax and financial statement related services since 2003. We aim to deliver value, satisfy business needs, and improve the overall financial position of our clients. Our vision is a designated accountant who has completed CPA from the United states of America and Canada to achieve excellence in accounting principles and Candian and US tax. Our goal is to provide complete satisfaction and a stress-free life to our clients. Our team consists of excellent consultants who possess expertise in the preparation of financial statements and tax planning.
